"Education is the manifestation of the perfection already in man. All power is within you, you can do anything and everything."

Dear Parent

Our school, DPSGF, is proud of the active involvement of the parents of our Dipsites in the transaction of our successful online curriculum.

We thank you for reaching out to us with your valuable suggestions for online learning for the month of June 2020 of which we have made a careful note.

We have received a large number of mails advocating the continuation of purposeful online learning as parents wish for some part of the day to be devoted to conscious and deliberate academic work. Many parents have expressed interest in a break for some time.

We have carried forward both sentiments in our plans for the month of June 2020.

Kindly note the REVISED schedule:

A.

Date: June 10 to June 19, 2020

Time: 9:00 am to 10:30 am

Subject -wise time table will be shared shortly

The focus will be on a strong closure of the academic work with doubt clearing classes based on the syllabus covered from April 7, 2020 to date. Short online testing, to the point answers to questions raised and usual grey areas in subject understanding will be taken up for detailed redressal to build academic confidence of students.

B.

There will be **no online academic classes with effect from June 20 to June 30, 2020 to enable self-study, family time and recreational engagements.**

We warmly thank our co-educators, the parents, for supporting us as we've wind up this phase of our learning.

The details of the re-commencement of education will be share on time in light of latest guidelines by the Govt

We wish you good health and safety.

With regards

Principal
