Dear Parent

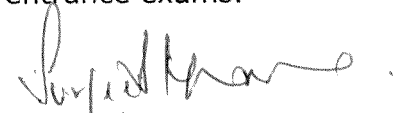

Under the aegis of our Career Counselling Programme, we wish to share the following links with you to strengthen your awareness of career options available to your ward after school education. Please study these links carefully to guide your ward towards choosing a stream of interest at Class XI level.

1. Humanities (Arts) and Commerce students can get into IITs . How ? Read here <http://goo.gl/9BEiAY>
2. You don't need to have PCM to apply for Architecture in most institutes.You only need Maths.Check here <http://goo.gl/oPmgdM>
3. You can get into IIM-Indore after Class XII interested ? Check here <http://goo.gl/OLQ3RL>.
4. Students get scholarships to study at India's premier University for Mathematics .Read more <http://bit.ly/1R6FXr3>
5. BIT-Mesra offers a program in Animation which is open to all. Check here- <http://goo.gl/nMjy41>

We are living in dynamic times where new careers will emerge with great development in technology.

We would like you to have an open mind to new ideas.Also do encourage your ward to focus on good communication skills, general knowledge, independent working , clear hand writing and interest in reading books/portals of diverse subjects.

You can also explore at www.MyExamPlan.com for greater information on career avenues and entrance exams.
