

Ref No. DPSGFBD/Circular/VII-VIII/ 902 /2016

Date: August 19, 2016

Dear Parent

DPS Greater Faridabad has always believed in stepping out of regular routine and encouraging learning blended with fun and creativity. So, here we are once again with some excitement for our Dipsites. Under the aegis of NIE(The Times of India) programme of class VII and VIII, The Times of India is organizing a workshop on the topic "**How to improve your Memory**" for our students at the School Campus on August 24,2016(Wednesday).

Mohd.Faizal is 3 times World Memory Record Holder. He is well known human computer prodigy.He is widely covered by Zee News, India News, AAJ Tak, The Times of India , Hindustan Times etc.

He has interviewed more than 125 media personalities. This workshop is a very good opportunity for our students as it helps in enhancing their memory power.

The workshop will be during school hours.

Principal
