August 26, 2016

Hey dipsites!

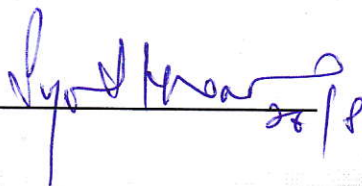

It's finally that time of the year when you can express your love for your teachers by reciting a poem, role playing them, narrating special incidents or sharing with her why she is so special to you.

For this, we have planned a special one hour 'Heart-to-Heart' session on Monday, September 5, 2016 with your teachers. The school timings for Classes Nursery to II will be 8:45a.m-9:45a.m.

So, get ready to lend a voice to your thoughts and feelings.

Looking forward to loads of fun and merriment!

Your loving Principal
