

Dear Parent

Outdoor learning opportunities contribute significantly to raise general awareness of life and improve student's personal, social and emotional development. To help our students connect with the real world and develop religious harmony, we would like to take our Dipsites on a fun- filled educational trip to Temple, Church and Gurdwara on Tuesday, September 06, 2016.

**Please note –**

- Children will come to school at their regular school timing and will be accompanied by the Class Teachers, for the educational trip.
- Kindly make sure that your ward comes in proper school uniform and brings a handkerchief to cover the head.
- Wearing I-card is **MUST**.
- Carry both munch and lunch to school along with their almanac and pencil box in the bag.
- Do send a labelled polybag to keep the shoes during the visit.
- The dispersal from school will be at the regular time. Please ensure that the child is medically fit. Do not send a sick child for the educational trip.

*We look forward to all our students of class-II enjoying this experience and learning as well. Do remember to talk at length about the experience on the evening of September 06, 2016 to consolidate learning.*

  
Principal
