Dear Parent

In an endeavour to educate our learners about the importance of working together as a **team** and to experience **outdoor fun**, we at **DPSGF**, have planned to observe **September 14, 2016 (Wednesday)** as a **'Together We Can Day'**. Children will enjoy making **Corn Chaat** (provided by school) together in the classroom and relish it with their peers. They will have team building fun activities & races:

- Hopping like a kangaroo race
 - Passing the pass race
 - Ball balancing race
 - Relay race
 - Follow the track race
- (any one of the above)

Looking forward to a fun filled day for our young Dipsites.
