Happytude Together: A Social Initiative

"Not all of us can do great things. but we can do small things with great love". -

Mother Teresa

Dear Parent

With the sole motto of Service to Humanity our school proudly shares that we run a programme called 'Happytude Together' which serves the underprivileged sections of society. This programme is active since last year and we have collaborated with GSS School, Allika, Tau Devi Lal Vridasharam, Goonj, Janak Sewa Samiti, Sugrih Sewa Foundation etc .

This programme is a brain child of our two students Harsh Mishra and Ritwik chopra, who coined the term Happytude Together. This programme was initiated in 2015. With the support of parents and school management we have been able to provide useful material like fans, stationary items, books, notebooks etc. to them. Senior citizens from old age home were invited at various events of the school.

Under the aegis of this programme we wish to invite interested students to volunteer to deliver general awareness, lessons and interactions with students of Govtt School, Bardoli .Volunteers associated with 'Happytude Together' will be given a badge and will be felicitated with an appreciation certificate at the end of the session.

If interested, please fill in the consent form attached below and send it back to respective Class Teachers latest by September 30, 2016.

Looking forward to your ward's enthusiastic participation in 'Happytude together'.

Consent Form

I, Mr./Mrs. parent of class/section..... would like my ward to volunteer for the activities of 'Happytude together'. I understand that these volunteers will be required to visit different organizations (under the supervision of school teachers) and work towards their enrichment whenever they will visit our school. I agree to co-operate fully in this endeavour.
