**"There's no food healthier than a home-cooked meal."**

Dear Parent

Keeping the health and safety of our dipsites on priority, the school has decided that the students of Classes III to V shall not be allowed to visit the school canteen during lunch break or after school timings for the following reasons :-

- Home cooked food is the healthiest and safest meal for a growing mind and body.
- Movement to canteen & back results in students having very little time to eat.
- Carrying money to school by young students can result in loss which we wish to avoid.

Our initiative requires your fullest support. Please make an effort to prepare a wholesome and tasty tiffin for your child to eat with happiness. Please do not send your ward to school without a proper tiffin. It is important that no child remains hungry for long hours and every child has nourishing at both munch break and lunch break daily.

**THIS DIRECTIVE WILL BE EFFECTIVE FROM MONDAY, OCTOBER 3, 2016.**

Looking forward to your co-operation.

  
Principal
