Dear Parent
Greetings!

“Real change takes place in deep crisis.”

During this hard time of lockdown, let's keep our spirits high and let our morale not go down because of confinement. Social distancing should be no reason of stress and anxiety. It should be taken as an opportunity to learn different activities without stepping out of the comforts of our home. The best way to keep oneself agile and active mentally is to be part of new learning. In these hard times the best way to learn is through online programmes. **We at DPS Greater Faridabad, are geared to help our Dipsites learn a lot more about their heritage through SPICMACAY online 8th International Convention in association with IIT Kanpur from 1st to 7th June 2020.** Interested students are required to register themselves through the given link enclosed herewith.

Regards
