Dear Parent

We hope our little Dipsites had a wonderful time during the holidays and they got an opportunity to relax, have fun and spend quality time with their family. We wish to welcome them back with a blast of fun activities.

FORTHCOMING ACTIVITIES FOR THE MONTH OF JULY 2020

Ability to accurately identify shapes is a foundational mathematical skill, and it is quite rewarding for children as their world is full of shapes. The **Fun With Shape Activity** is a platform for our young Dipsites of Class Prep to create their own art with shapes to enhance creativity and imagination skills. Let us help our budding artists to showcase their talent.
