“Patriotism comes from the heart. It is a feeling of loyalty and allegiance that is the result of knowledge and belief.”

Dear Parent,

Every year we celebrate Independence day with fervour and enthusiasm with our dipsites in school. These unprecedented Covid19 times may have confined us in our homes but they have definitely not confined our zeal, our patriotic spirit and our love for our country. We are proud Indians and will always be! We have utmost respect for our Defence forces and medical warriors who protect us from adversities. Our fervour and enthusiasm to celebrate Independence day with our dipsites is strong. This year we wish to make this day even more special with your presence along with your ward in the **Online Independence Day Special Assembly on August 15, 2020.**
