* Process of approval by CBSE is underway.

Please note:

The allocation of streams for class XI in 2021-22 for INTERNAL STUDENTS ONLY will be based on Test Series result to be held in December 2020.

For the stream chosen by an internal student, admission will be PROVISIONALLY granted in the opted stream.

IT'S IMPERATIVE THAT MAINTENANCE OF PRESCRIBED PERFORMANCE-CRITERIA BEING DULY REFLECTED IN THE OVERALL RESULT OF CLASS X AS DECLARED BY CENTRAL BOARD OF SECONDARY EDUCATION(CBSE).

- Admission will be confirmed only after the declaration of Class X result by CBSE in 2021.
- The internal students meeting the criteria specified above in CBSE result declared in 2021 will not be required to go through any additional selection test.

The criteria applicable for each of the four streams is being shared well in advance to enable internal students to have clarity on the standards of performance expected and to work towards the same. We would like the parent to study and understand the allocation criteria carefully and to encourage his/her ward to aspire and strive for sound academic performance.

- Students scoring 80% and above in the Secondary School Examination Result to be declared in 2021, will be eligible for the J K Jain Scholarship.
- Broadly speaking, the new session of Class XI within a few days of board exams being over. Regular attendance of school will be mandatory for all students granted provisional admission to Class XI in Streams of Science, Commerce, Humanities till declaration of CBSE result in 2021 which will confirm criteria being met for various streams.

Kindly fill and sign the consent form given below and upload the same on Google Classroom.

Principal

CERTIFICATE BY THE PARENT

I certify that I am fully aware that the admission granted to my ward _____ is only provisional. Stream allotment is strictly subject to securing minimum percentage of marks in different subjects and aggregate in the final Class X Examination for Science/Commerce/Humanities streams as specified in the communication on Streams and options being sent to us.
