

Ref No-DPSGFBD/CIRCULAR/Nur-VIII (of session 2020-21 /0222 /2021

Date: March 02, 2021

Dear Parent

We are fully aware of the fervent wish of our entire school fraternity that our students return to school and its vibrant campus with confidence from April 2021 for the new session (Classes Nur-IX). This online year has been fraught with challenges alongside great lessons on self-motivation, utilization of technology and exploring its potential in myriad forms which we must keep strong.

As you are aware, all schools have received the Govt Of Haryana directive dated Feb 22 ,2021 / Feb 23 ,2021 giving permission to open school for regular offline learning to students of classes III to V and classes I & II from Feb 24,2021 and March 1,2021 respectively.

We are keen to open DPS Greater Faridabad to offline learning for the new session of 2021-22 commencing from April 7,2021, tentatively (Nursery onwards). We are fully committed to sanitization and safety protocols for students and teachers at school. We are confident that return to school will be a positive step in student development.

We wish to request you to kindly fill the Google Form link given below for parental consent. **It is MANDATORY to fill the form.**

Last date to submit Friday, March 5,2021, time 02:00 pm

Do please **converse with CONFIDENCE as often as possible with your ward** on the attitude, self-responsibility, discipline and readiness to uphold all the guidelines that the school will implement in order to ensure that every student is safe, well protected and feels comfortable. This will add to their life skills and readiness for responsibility. **WE WILL BE STRONG FOR OUR STUDENTS.**

We look forward to receiving your support in full measure.

Regards

Principal
