

Ref No. DPSGFBD/Circular/III-VII /421 /2023-24

Date: December 23, 2023

FOR III –VII of session 2023-24

Dear Parent

We are pleased to inform you about an exciting opportunity for our Dipsites who are inclined towards a competitive approach to learning. In an effort to foster their intellectual growth and enhance their general aptitude, we encourage them to consider participating in competitive exams.

These exams not only provide a platform to showcase their academic prowess but also offer a chance to students to develop essential skills such as critical thinking, problem-solving, and time management which are essential life skills. Additionally, success in these exams can open doors for them to prestigious institutions and scholarships.

Our intent is to identify students for mentoring towards **various competitive examinations, Inter-school competitions (like Aryabhatta, Ramanujan Mathematics competition, Science and Maths Talent Examination (SMTE), Manavsthal Math competition); and Maths and Science Olympiads (conducted by Science Olympiad Foundation).** We would like to offer all our students an equal opportunity to **qualify for selection of team of students for the new session 2024-25** through a written examination.

The details of Screening test is as follows:

For Classes: III – VII of session 2023-24

Date of Exam: 17th February 2024 (Saturday)

Subjects: Mathematics (40 marks) and Science (40 marks) -Both subjective and Objective

School Time: 8 am to 11.30 am

Syllabus: Enclosed as PDF file named -- SYLLABUS FOR SCREENING TEST 2024-2025 (Consider syllabus of current class i.e in session 2023-24)

- **CRITERIA FOR SELECTION (IV-VII): 60% OF SCREENING TEST & 40% OF THE ANNUAL EXAMINATION (NOT INCLUDING MARKS OF PT)**
- **CRITERIA FOR SELECTION (III): 100% OF SCREENING TEST**

Interested parents may register their ward for the screening test by filling the registration form latest by January 10, 2024.
