Dear Parent,

Education and excellence are both upheld by consistent efforts of the three main stakeholders in a school system – students, parents and teachers. It has been a year in a series of many that has yet again showed us how success is a natural by-product of this well-oiled, tripartite machinery.

As our beloved students at DPS Greater Faridabad have proven both their potential and their merit in the academic year of 2023-24, it is with immense pride that we invite you to celebrate their hard work, their glowing achievements, and the brilliant journey that lies ahead of them. We request you to mark your calendar for a **special high tea ceremony at school on Thursday, July 25,2024 from 10:00am to 11: 00 am**, where we plan to felicitate our students who through their diverse academic achievements have added to the school's ethos which is grounded in excellence.

You are requested to confirm your presence for the event by filling in the Invitation Link given below by July 21,2024-
