Date April 11, 2025

### Upcoming Competition in the month of April, 2025

**"The Earth is special, it's one of a kind,  
Let's keep it clean for all mankind."**

Dear Parent

Each day, we are graced by the countless blessings of our Mother Earth. It's important to respect what we receive and spread awareness to preserve and conserve our resources. Every little hand can help heal the land.

We at DPS Greater Faridabad are celebrating 'Earth Day' with the aim of spreading the message "Earth is precious, let's preserve it!" Recycling is like giving new life to old things! When we recycle, we help turn used paper, plastic, glass, and metal into something new instead of throwing it away. Class III is organizing an Intra-Section, best out of waste competition 'Trash to Treasure', which will be conducted on Tuesday, 22 April 2025.

The aim is to promote environmental awareness, creativity, and hands-on skills by transforming waste materials into useful or decorative items.

#### **Students will be required to bring the following material:-**

Waste material as per student's choice. Bottles/ popsicles/ newspapers/ cd's/ Cardboard boxes

1. Sketch Pens/ oil pastels/ crayons
2. Decorative Material as per requirement
3. Ribbons or Thread
4. Fevicol (small)

The competition will be judged on the following criteria.

1. Creativity & originality, 2. Innovation, 3. Effective utilization of waste 4. Overall presentation

\*\* Do remember to bring newspapers to lay on the table to protect from spills and damage.

Let's come together to **celebrate Earth Day** with fun, creativity, and care and encourage our students to reuse and recycle materials creatively, turning everyday trash into innovative treasures.
