Earth Day and School Birthday Celebration

Kaizen - Building a Better Tomorrow!

Dear Parent

April 22nd marks a day of great significance for us all—not only is it celebrated globally as **Earth Day**, a time to raise awareness and act for the well-being of our planet, but it also marks a proud milestone in our school's journey as we celebrate **11 glorious years of nurturing young minds**. At our core lies the spirit of *Kaizen*—continuous improvement, step by step, day by day. Just as every small act of care towards the Earth contributes to a greener tomorrow, every moment of growth over the past decade has shaped who we are today.

To honour this dual celebration, we've lined up a series of joyful, engaging activities for our enthusiastic little Dipsites of **Class I & II**. Together, we'll learn, grow and take small but meaningful steps toward a brighter, more sustainable future—because every change, no matter how small, has the power to make a big difference.

Monday, April 21, 2025

- Discussion on the Significance of Earth Day through a story session
- Class I- 'Our Actions Matter' sorting game & Eco Wrist Band
- Class - II Eco Bag Explorers Craft Making

Tuesday, April 22, 2025

Growing up together- To teach our little Dipsites that they are never too young to make a difference in the world, underlining the spirits of working together for **School's Birthday** through Eco friendly initiatives.

- Class I- 'My School's Birthday Gallery - Eco Craft Making
- Class - II - My School's Birthday - Eco Flora Craft Making
- Birthday Fun Activities

Students can come in Eco-party dress (any shade of green / blue), adorning a birthday cap and bring party food on April 22, 2025.

Looking forward to your co-operation and wholehearted participation of our Dipsites.

Regards
Principal
DPS Greater Faridabad
