## Forthcoming Activity for the month of December 2025

**"Christmas waves a magic wand over this world, and behold,  
everything becomes softer and more beautiful."**

### **Dear Parent**

The festival of Christmas fills hearts with joy, warmth, and the spirit of giving. To nurture creativity and spread festive cheer, we at **DPS Greater Faridabad** are organizing a **'Twinkling Tree' -Christmas Tree Decoration Activity** for the students of **Balvatika III** on **Tuesday, December 23, 2025**. The activity aims to engage students in a hands-on festive experience, encouraging imagination and artistic expression while they adorn their Christmas tree.

### **Guidelines for the activity:**

- Students will be required to bring **decorative items such as bells, stars, small gift boxes and candy sticks etc.** (kindly ensure that all materials are child-friendly and easy to paste on the tree).
- Christmas Tree cutout from A4 size pastel sheet and glue stick will be provided by the class teacher (sample of the cutout would be sent home for practice).
- Kindly help your ward to practice at home and encourage him/her to participate wholeheartedly and enjoy the learning experience.

### **Focus area:**

- Creativity
- Neatness
- Completion on time
- Overall presentation

We look forward to your support in encouraging our imaginative Dipsites to participate wholeheartedly.

**Regards**

**DPS Greater Faridabad**
