INTER-SECTION MATH QUIZ COMPETITION - CLASS-IV

'MATHEMANIA'

“The important thing is not to stop questioning. Curiosity has its own reason for existing.” - Albert Einstein

Dear Parents,

Math Quiz aims to inculcate in the minds of young mathematicians a spirit of mathematical reasoning, logical thinking, and problem-solving, while providing a platform for them to experience and enjoy mathematical challenges.

To enhance mathematical knowledge among our young learners, an **Inter-Section Quiz Competition – “MATHEMANIA”** will be conducted for the students of **Class IV** on **Thursday, 11 December 2025**. The **preliminary selection round** will be held through a written questionnaire on **Tuesday, 25 November 2025**. Topics for the Quiz are: -

- **Everyday Mathematics**
- **Four Fundamental Operations**
- **Famous Mathematicians**
- **Logical Reasoning / Mental Ability**

(Students may prepare from any informative resources or books up to the Grade 4 level.)

Kindly note that the selection for the final quiz round will be purely based on the evaluation of the preliminary round.

Based on the preliminary round results, **two finalists from each section** will be selected to form a team and participate in the final round, which will be conducted on **Thursday, 11 December 2025**.

The judgment will be carried out through multiple rounds of questions based on the topics mentioned above.

We encourage all students to participate wholeheartedly and explore the fascinating world of mathematics through engaging problem-solving and logical reasoning.

Regards

Delhi Public School Greater Faridabad
