## **FORTHCOMING COMPETITION FOR THE MONTH OF DECEMBER, 2025**

*“Every decorated gift box tells a story of thoughtfulness and joy.”*

Dear Parent

Gifting is a wonderful way to show love, care and appreciation. Decorating a gift box makes it look even more special and adds an element of joy and excitement for the receiver. To encourage innovation and nurture the creative skills of our Dipsites, DPS Greater Faridabad is organising an **Intra-Section Gift Box Decoration Competition, “Joyful Christmas Creations”**, for Class I on Friday, December 5, 2025.

### **Kindly note:**

**On the day of competition, the students are required to bring:**

- ❖ A neatly wrapped shoe box of any size, covered in a bright plain coloured wrapping paper.
- ❖ Decorative material that is sustainable, such as jute or cotton strings, shapes like stars or hearts cut from waste cardboard, dried leaves or flowers.
- ❖ A rough cloth (to wipe hands), fevicol and old newspaper (to organise the table)

During the competition, students will **decorate their pre-wrapped gift box creatively** and attach a gift tag to add a personal and thoughtful touch.

### **Criteria for the judgment:**

- Neatness
- Creativity
- Usage of sustainable decorative material
- Overall Presentation

Regards

**DPS Greater Faridabad**
